

## VENOUS SYMPOSIUM

**Fri, 23 Aug 2024**  
**18:30 - 21:30**

**JW Marriott Hotel**  
**Singapore South Beach**

**REGISTER HERE**

Organised by

Endorsed by

### PE and Superficial Venous Algorithms

Anchors: Edward Choke (Singapore), Sriram Narayanan (Singapore)

Penumbra for PE: Patient selection and how I do it	Ahmad Rafizi Hariz (Malaysia)
EKOS for PE: Patient selection and how I do it	Farah Irani (Singapore)
Clinical outcomes of treatment of acute PE with FlowTrier: Singapore's early experience	Ting-Ting Low (Singapore)
Maximising cosmetic outcomes in superficial venous disease: Laser and other tips	Tjun-Yip Tang (Singapore)
Sclerotherapy: Different options in different clinical scenarios	Sriram Narayanan (Singapore)
Overview of technologies for superficial veins and how do I select	Naresh Govindarajanthran (Malaysia)
Novel technique for angio-guided GSV ablation for recurrent venous ulcers	Jimmy Tan Wei-Hwa (Taiwan)
No hope leg ulcers: What can be done	Sriram Narayanan (Singapore)

### Panel Discussions

### DVT Case Presentations

Anchors: Tjun-Yip Tang (Singapore), Ismazizi Zaharudin (Malaysia)

Angiojet for acute DVT	Dexter Chan (Singapore)
Aspirex for acute DVT	Wuttichai Saengprakai (Thailand)
Penumbra in Venous Intervention	Julian Wong (Singapore)
ClotTrier for acute DVT	En-Ming Yong (Singapore)
How to use IVUS to guide angiojet thrombectomy for extensive DVT	Tien-Yu Wu (Taiwan)
Free floating IVC thrombus: Penumbra technique	Tjun-Yip Tang (Singapore)
Free floating IVC thrombus: Flowtrier technique	Shueh Lim (New Zealand)
Chronic DVTs: Dispelling myths that it cannot be treated	Hai-Yuan Shi (Singapore)

### Panel Discussions

### Deep Venous Challenges

Anchors: Shueh Lim (New Zealand), Ahmad Rafizi Hariz (Malaysia)

Deciphering anatomical disease classification to guide deep vein clinical practice	Houman Jalaie (Germany)
Treating NIVL for C3-C6 disease: What is the evidence for this	Ismazizi Zaharudin (Malaysia)
Venous stenting for NIVL: Which types of patient will benefit the most	Houman Jalaie (Germany)
Venous stenting for NIVL: post procedure care including surveillance, reintervention and anticoagulation strategies	Joseph Lo (Singapore)
Updates on the latest guidelines on the use of IVC filters	Min-Qi Chen (Singapore)
Venous aneurysms and principles of open deep venous surgery	Sriram Narayanan (Singapore)
Panel Discussions
